Mayor Philip Barlow mentioned that Municode had been contracted with to get a compilation of codes. They had been sent codes from a few cities in Utah along with Colorado City, AZ's code. The compilation mainly used Heber City as an example. Discussion started on page 163. Mayor Philip Barlow read through mission statement documentation. Board, staff and officers present discussed school code for traffic, parking, etc., a corridor for off road vehicles to get to the gas station, what constitutes an ATV, education certificate for ATV operator, ATV restrictions to apply to private property, driver's license revocation to null education certificate exception, need for exception to allow snow scraper on ATVs, fine not to be included in the code, whether term "animal" should be narrowed, which animals are included in "livestock", vaccination for adopted dogs, and dog relicensing.
